**PRESIDENT'S COLUMN**

It's once again time for the club elections and we will get started at the General Meeting by nominating those members in good standing for a minimum of three years who wish to run for office.  
 Up for election this year will be all five (5) Officers, five (5) Directors for full three year terms and two (2) Directors completing unfilled positions for one year each.  
 A qualified member can take a part in the future of the club by contacting the nominations committee and putting their hat in the ring.  
 You can also nominate a member that you feel would be an asset to the Association in particular and the fishing / hunting / shooting sports in general (Be sure to ask them if they are willing to accept the responsibility first!)  
 The next step is to support those nominated in a positive manner through the election process **AND THEN** by assisting those who are elected.  
 At the end of the election process we will have some that collect the number of votes required to get into office and some that are a few votes short.  
 The first group will be elected officials of the club and the other group part of the great members who will carry our club and our sports

**12 GUN GIVEAWAY MONTHLY WINNER**

The winning ticket number for September was # 0637. The lucky winner was Rick Darnier of Xenia, Ohio. Congratulations Rick!

into the future.  
**THEY ARE ALL WINNERS!!!**  
 Then there are those who do not care enough to participate, they tear down those who care with trash talk and show general indifference to everything except their own wants and needs.  
**THEY ARE ALL LOSERS...**  
 Please try to be present for the nominations in October and the election in November. Your input is important!  
 I know that work, family and other obligations limit the time that some can spare but a few hours here and there for the good of the club make a big difference.  
 Work divided by many hands is not a chore and you can make new friends while having a good time.  
**Make the right choice and be a winner!**

**.22 RIFLE LEAGUE SUMMARY**

As the dog days of summer reached their peak of heat and humidity, I found myself still struggling for the energy and time to put together a summary of this year's Rim-Fire Rifle league.

After many loving reminders from my wife I mustered the willingness to tackle the task before me.

We would like to start off by thanking everyone that participated in and helped with this year's league.

A special thank you to Bob Ziegman, Tom Cryder and my wife, for without their help this league could not have taken place. Thank You!

The large turnout for the league was pleasantly unexpected. When Jeff Shingler and I first kicked the idea around, we thought only ten to fifteen individuals would participate with slightly less finishing the league.

You can imagine our surprise when we tallied up the first week's practice round and discovered we had forty-four individual shooters.

By the time the league was finished, there were close to seventy different individual shooters taking part throughout the eight week event.

Of those seventy shooters, there were thirty-two qualifying for a league score and a league banquet.

In more than one case there were husbands and wives, fathers and sons, fathers and daughters, friends, first time shooters and even a couple that were just dating, all enjoying the great sport of shooting.

This kind of turnout left me personally excited about cooking for the banquet, but did leave us struggling to find enough door prizes for the final event.

By the end of the day everyone left with an eye on their door prize, very full bellies and asking, "When does the next league start?"

So please keep an eye out for the posting of the start date in the Spring and be sure to bring a friend. Be safe and come see us in the Spring.

**YOUTH ACTIVITIES**

We held the last Archery Match of the year on September 11th, but we still have some good events coming up.

October 12th, will be our first introductory Black Powder event (just ahead of the early muzzleloader season).

The Youth Group wishes to have fun BP shooting for youth and their parents. We have most all types of BP guns to loan, if you don't yet have your own.

This and a shoot on November 14th, just ahead of the Youth Gun Season will allow us to instruct where needed and get the veterans tuned up a little for deer season.

Don't hesitate to bring the youngsters because I have light .32 caliber rifles (legal deer BP rifles are .40 caliber or above) that they can shoot before trying the larger caliber rifles.

If anyone wants more help before the Jan. 8 - 11th Muzzleloader season, please contact me at (937) 372 - 8739. We can get you to the range on a Wednesday or Sunday.

October 16th is the club's Ladies and Youth Trap Camp. NO COST is involved to shoot this event. Come to the clubhouse about 8:30 AM to

sign in.

This event was greatly enjoyed last year. Trophies are to be given for the winners and runners-up in the ladies and in all three age groups of youths.

Contact Dave Schock at (937) 427-5814 or Larry Rowland at (937) 372-8739 if you need more info. Get the family out to our range to bust some clays and check the website for dates and times.

This October camp can get a tune-up for the youth started so that they can enjoy statewide early youth hunts to be held on October 23rd & 24th, then again on October 30th & 31st.

The club's date is November 14th for this year's youth hunt. The day starts at 8 AM sharp in the clubhouse. Make sure your youth's shotgun is in proper working order.

That goes a long way toward having a safe hunt. Get any youth that haven't had a Hunter Education class signed up for one. A license is required just like during the other early seasons.
