**PRESIDENT'S COLUMN**

Are you satisfied with the way things are at **YOUR** club? Do you have ideas that could make it a better organization for everyone? If so you have two choices.

You can run around telling other members how bad things are and what should be done to run things correctly OR you can stand up and take part in running **YOUR** club.

If you have been a member in good standing for (3) years you can put your name in the ring for a leadership position.

If you don't have your (3) years in yet then back those you believe will run **YOUR** club better.

Getting involved offers a new perspective on how things work at **YOUR** club and that insight coupled with thoughts can lead to improvements for everyone.

Nominations can be made by contacting the committee members listed below or at the General Meeting on Oct. 11th. If you are nominating someone else; talk to

them about it first!

The committee will take over the meeting at the end of "Committee Reports " at which time they will introduce those who have signed on to run and then ask for nominations from the floor.

After assuring that all wishing to run have had a chance to get on the list, the committee will close nominations for the 2012 positions.

The committee will then allow all seeking election (3) minutes to address the membership on the reasons why they should get the votes.

This year we will vote on (5) Board of Director positions and to fill any vacancy on the Board for the balance of that term. Individuals seeking nomination must declare the seat which they are seeking.

Elections will be held at the Nov. 8th General Meeting. You must show your club or photo I.D. to get a token for a ballot.

Registration starts at 6:30 and closes at 8 PM with the opening of the meeting so don't be late.

The Nomination Committee will take over after the opening of the meeting by introducing those individuals seeking election to open positions.

Once again each one will be allowed to speak for (3) minutes to state why they should be **YOUR** choice.

At that time the committee members

will pass out ballots to those holding tokens, then gather the ballots and count the votes before they announce the names of those elected.

The committee will then call for ballots to be destroyed after which the President will call for a motion to release the committee.

There are no losers in the election just those who will serve on the Board and those who will support and guide them for the betterment of **YOUR** club. Be here and do your part!

Committee members are Terry Allen (CMP), Greg Beasley (Conservation Chair) and Al Sawyer.

**DO IT NOW!  
DON'T PUT IT OFF!**

Every year members who know better fail, forget or put off paying their dues and don't make the New Year's Eve deadline.

Pay those dues now if you have the funds to do so and don't rely on someone else to do it for you. Don't wait until later!

It's **YOUR RESPONSIBILITY** to make sure that your club dues are paid on time.

Don't count on the help of your spouse or someone else to make it happen.

Every year the Board hears from members who leave the January meeting upset and non-members because they didn't get their dues paid.

Don't be one of those people this year!
