

2018 Steel Challenge League

Steel Challenge is a pistol speed shooting competition governed by the Steel Challenge Shooting Association (SCSA) consisting of standardized stages with steel targets, ranging in size from 10" round plates to 18x24" square plates. Competitors are scored solely by the time it takes them to complete each stage.

Each stage is shot four or five times (strings) in a row for time. The time for the slowest string is dropped. The times for the strings are added together for the total score of the stage.

Matches are \$10, Friday Practice/Fun Shoots are \$5. All SCL Shoots are open to the Public. You must have Pre-Registration and Waiver on File to participate.

Please check our Web Page to download Registration, Waiver and League Rules & Handbook
